

Upper Lake High School

Start With Hello Week

September 23-27, 2019

At Upper Lake High School we are a learning community on a journey together to create a culture of inclusion that values each individual at our school... **Start With Hello Week** is an opportunity for our learning community to continue to become clear and coherent about what we mean by our Core Values of **Safe, Respectful, Responsible** while working together as students and staff to make a difference in a simple and impactful way.

Starting with Hello is about taking small but powerful actions to promote connectedness and inclusion, and to work to support our entire community. *Start with Hello* is a part of the *Sandy Hook Promise* program to protect children from gun violence by encouraging and supporting solutions that create safer, healthier homes, schools and communities.

Monday	Post and Review Core Values in 1st Period Classes. Teacher review Core Values in other classes as needed.
Tuesday	Teachers Distribute bracelets in 1st period and reflect on bulletin announcement with students.
Wednesday	"Mix it up at lunch" sit with someone new.
Thursday	Table in Quad to write positive notes to someone
Friday	Music in the Quad
